Creating Loops for the Worship Band		<input checked="" type="checkbox"/>	

Class Descriptions	
Advanced Acoustic Guitar	You've got the basic chords down, now let's learn how to use scales, new riffs, strumming patterns, and some cool advanced chords.
Advanced Electric Guitar	There is a WHOLE LOT you can do with your guitar to make it sound great! Through this class learn how to use different pedal effects, solo riffs, and how to fit into a praise band with your playing.
Advanced Keyboard	Whether you read music or just chords, learn how to fit into a contemporary worship band with more difficult chords, sounds, and playing techniques.
Advanced Photography	This is for the student who has either taken the basic photography class at previous camps or has a lot of experience with cameras. There is more to learn in making a professional looking photo!
Advanced Praise Band	You can play chords, basic rhythmic patterns, or sing worship songs. Now learn ways to make your band sound fresh by varying the texture, the style, and the dynamics as you lead worship.
Balloon Art	Who knew that balloons could be sculpted into fun animals, flowers, and so many other colorful things, plus use as a witnessing tool?
Bass Guitar	This instrument helps set the foundation notes for worship songs. Learn how to play your axe so you are ready to help drive the worship band!
Beginning Guitar	Learn basic chords and playing techniques on an acoustic guitar so you can help lead songs of praise. Bring your own guitar.
Beginning Praise Band w/ Instruments	Experience chord charts from popular worship songs to learn how to play together as a team. Even band or orchestra instrumentalists can take part. Just don't forget to pack it!
Black Light 1 and 2	Do you know what happens when a group puts on white gloves in a dark room with only black light to share a Christian song? The result is awesome!
Creating Loops for the Worship Band	This is how the pros do it! Learn how to make backing tracks for your worship band.
Creative Movement 1 and 2	Team up with other students to use your combined bodies to dramatize contemporary worship songs

Class Descriptions	
Happy Hands Club	Take a worship song; now use sign language to worship God with your hands!
Drama 1 and 2	Play expressive drama games, then learn drama scripts you can use for worship in your own church.
Drum Set	Learn how to coordinate hands and feet to maintain a beat, use drum fills, and other cool stuff that you can use in playing in a worship band.
iPad Band	Never heard of it? Bring your IOS *(Apple) phone or device, download Garage Band, and work with a team to create some awesome worship songs!
Beginning Photography	What makes for a great photo? You will learn photography basics on a professional style camera (supplied) framing a subject, aperture, focal length, digital SLR, different lenses.
Praise Dance	Did you know that you could praise the Lord using dancin' feet and expressive hand movements? Here's where you learn how!
ProPresenter	This program is like PowerPoint on steroids! Learn how to integrate video, song text, worship countdowns, and other fun stuff to help your church worship.
Stomp Percussion	Cans, sticks, brooms, paper, leaves: use these everyday objects to make cool rhythmic patterns and even illustrate Bible verses.
Tech Class	Discover what goes on behind the sound board and everything that makes worship exciting in the contemporary churchy.
Ukulele	It's like a little guitar, right? Well, kinda. It's amazing what songs you can sing with this funky little instrument. Bring your own uke if possible.
Video	If your phone or device can shoot video learn how to tell funny, serious or compelling stories that you and your new camp friends create!
Vocal Techniques	Learn about singing on a worship team, handling microphones, exhibiting stage presence, and sharing worship songs.
Worship Leading 101	Just pick some cool songs and sing them during worship? No! There is a lot more you need to think about when you create worship that flows and helps people praise God.
