

BAPTIST FOUNDATION OF INDIANA REPORT

Jennifer Hall, President

Fifty years ago, in January 1968, the Baptist Foundation of Indiana got its start - with only a few dollars but a very big vision. Today, in 2018, we manage over \$7.4 million for organizations and individual investors around the state. God has blessed the Foundation as it has expanded its reach, and our continued growth has enabled dozens of Southern Baptist ministries across Indiana to thrive.

When an individual, church or association opens an account with the Foundation, the money they invest is loaned back out to help churches of all sizes buy property and construct new buildings. Our investors like the competitive interest rates they earn, but they really appreciate that their money is working for God's Kingdom at the same time it is working for them!

First Corinthians 10:31 says, "Whatever you do, do it for the glory of God." The Baptist Foundation of Indiana is committed to this mission. Join us as we move forward through the next 50 years, working together to support growing ministries, build new churches and further the hope we have in Christ!

Our goal for next year is for our staff and/or members of our Board of Directors to visit as many SCBI churches as possible. We look forward to serving you in 2019!
