

Mission Adventure Camp July 18-21, 2023

Activities

Activities are a time each day for students to explore and develop a variety of interests. Students will sign up for their activity choices in the online registration application. The activities offered during MAC are listed below.

Archery/Riflery - Learn how to hit the target! In this track you will learn how to hold a bow and air rifle. You will learn gun and bow safety and you will have a lot of time to shoot at targets, cans and maybe even a watermelon or two!

Art Studio - Who doesn't love making cool crafts that you can remember camp by when you get home? This class is a combination of painting, sculpting, and crafting.

Build It – Do you like to work with wood and build something neat? In this class you will work with wood, maybe some paint, and put together an awesome craft to take home!

Campfire Concoctions – learn how to make some tasty treats over a campfire! Take recipes home to share with your family.

Creative Movement - Participants will learn a creative movement/dance routine (*performance optional on final day).

Drama - Let me entertain you! In this class you will learn skits that you will perform during the camp worship time!

Field/Water Games – water, water, and more water... what could go wrong? Join this fun activity to play water balloon dodgeball, balloon volleyball, and so much more.

Indoor Games – with the new activity/rec center complete, we can now enjoy pickleball, volleyball, and other sports indoors!

Outdoor Games - You will play some of your favorite games like wiffleball, capture the flag, ultimate Frisbee and Archery tag

Outdoor Survival - Have you ever wondered how to survive if you were stuck in the wilderness? Learn survival skills like building a shelter, collecting water in leaves, which plants are edible and more!

Splish Splash - Are you a water bug? Then these fun and crazy pool games are just for you!

Table Games - Students will have the opportunity to play a variety of fun board and card games including checkers, dominoes, UNO, Monopoly and many others.

Worship Team - Students will meet with the worship band for the week and learn how to lead worship. (If you'd like to use your instrument, please bring it with you and make a joyful noise!) (*performance option on final day).
